

## Paragliding ... on the Enchanting Greenery!

7 nights / 8 days

By Tettuccio Tour

*From the sky, the mountains reveal a charm reserved for the lucky few, exploring the peaks from afar in an exclusive dialogue with childlike wonder... Those brave enough to fly above and observe the mountains without disturbing them will be rewarded with a view of their impressive might.*

*This is the ideal experience for them who love thrill and adventure, for them who love and respect the nature, for all of them who want to enjoy and to feel strong emotions in the peaceful landscape of Pistoia's Mountains...*
